1. With the exception of a small department, the Neptun Shipyards in Rostock have been socialized. The Russian department is expected to wind up its affairs by 30 September 1947; namely, to finish work on:

8 lighters for the unloading of vessels,
3 motor-torpedo boats of German make,
1 minesweeper (repair work),
16 echo depth-sounding installations,
2 light coastal vessels with rapid-fire guns.

2. In addition, the civilian production, as follows, is to be finished by 31 December 1947:

16 fishing boats with tonnage up to 150,
2 fishing boats with tonnage up to 500,
28 sets of net-holding equipment (winches and cranes).
